

# THINGS TO KNOW ABOUT

- Alpha Academy provides an atmosphere in which academic achievement is valued and intellectual curiosity is contagious.
- Alpha Academy teachers are marked with initiative and thrive in an environment where they can make a difference. Their commitment to and enthusiasm for continually exploring their subject matter model the life-long love of learning.
- A strong, academic curriculum is the core of Alpha Academy's structure, coupled with the nurturing of the individual interests, talents and learning styles of the students.
- A mutual trust exists between the faculty and the students because of the close teacher-student relationship.
- The close relationship that exists among the administration, faculty, students, and parents creates a community in which the school is the extension of the family and provides a safe environment where students can explore ideas and make guided choices.
- Communication between teachers and families is routinely maintained regarding the progress of each student.
- Certain activities are student-driven; students are encouraged not only to become involved with, but also to assume leadership roles in a wide variety of opportunities. This participation helps to build self-esteem and to create balance.
- Self-discipline, responsibility, and self-motivation are achieved through the nurturing and order that exists at Alpha Academy.
- Respecting the dignity of every human being is the center of the Alpha Academy community; the values and standards that are upheld provide the moral framework for development of character and quality of life.

**EXCEPTIONAL CHARACTER + EXCELLENT ACADEMICS → OUTSTANDING LEADERSHIP**
